INDEPENDENT AUDITORS' REPORT

To the Board of Directors of

BOYS & GIRLS CLUBS OF METROPOLITAN PHOENIX, INC. AND SUBSIDIARIES

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of ***Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries*** which comprise the consolidated statement of financial position as of August 31, 2015, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of **Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries** as of August 31, 2015, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited **Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiary's** 2014 consolidated financial statements, and our report dated December 17, 2014, expressed an unmodified opinion on those audited consolidated financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended August 31, 2014, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

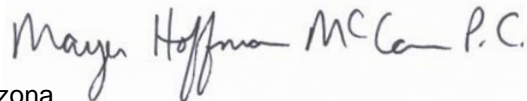

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. This schedule is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information in this schedule has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 18, 2015 on our consideration of **Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'** internal control over financial reporting and on our tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering **Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'** internal control over financial reporting and compliance.

(1) **Clubs operations and summary of significant accounting policies**

Nature of operations - The *Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries* (the "Clubs"), an Arizona nonprofit corporation, is affiliated with the Boys & Girls Clubs of America, a national organization. The Clubs operate thirteen clubhouses, one dental clinic, and an administrative and youth conference center in the Metropolitan Phoenix area.

The Clubs provide a safe place for youth in the Phoenix metropolitan area, particularly those youth living in the most threatening and vulnerable environments. The goal is to engage youth in activities that are fun and enjoyable, while supporting their development. Currently, the clubhouses and outreach youth services affect approximately 31,000 area children ages 6 to 18.

All of the programs and activities are designed to help young people have a safe place to learn, grow and to participate in life-enhancing programs and character development experiences. The Clubs focus on programs in five core program areas: Character and Leadership Development; Education and Career Development; Health and Life Skills; The Arts; Sports, Fitness and Recreation. These programs help youth develop a positive self-identity, a sense of belonging to a community, educational, employment, social, emotional and cultural competencies; and the values enabling them to develop positive relationships with others. Youth who enter the world with these capacities can become responsible citizens and leaders who make meaningful contributions and live successful lives.

On January 17, 2007, the Clubs formed BG Development, LLC, with the Clubs as the sole member. BG Development, LLC was formed to construct three new clubhouses, which were completed during 2009.

On April 7, 2014, the Clubs formed BGC Managers, LLC, with the Clubs as the sole member. BGC Managers, LLC was formed to administer management services for the Boys & Girls Clubs of Central Arizona under a memorandum of understanding between Boys & Girls Clubs of Central Arizona, BGC Managers, LLC and Boys & Girls Clubs of America.

The significant accounting policies followed by the Clubs and its subsidiaries, BG Development, LLC and BGC Managers, LLC, collectively referred to in these consolidated financial statements as the "Clubs" are summarized below:

Basis of presentation - The accompanying consolidated financial statements are presented in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 958-205, *Not-for-Profit Entities – Presentation of Financial Statements*. Under FASB ASC 958-205, the Clubs are required to report information regarding their financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Principles of consolidation - The accompanying consolidated financial statements of the *Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries* include the accounts of the Clubs and its wholly owned subsidiaries, BG Development, LLC and BGC Managers, LLC. All significant intercompany transactions and accounts have been eliminated in consolidation.

Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Clubs' consolidated financial statements for the year ended August 31, 2014, from which the summarized information was derived.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Year Ended August 31, 2015
(with comparative totals for the year ended August 31, 2014)

(1) Clubs operations and summary of significant accounting policies (continued)

Management's use of estimates - The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue recognition - The Clubs recognize amounts received from grants and contracts as earned when the services are rendered under a unit of service contract. Funding sources may, at their discretion, request reimbursement for expenses or return of funds, or both, as a result of noncompliance by the Clubs with the terms of the grant or contract. Program service fees are recognized in the period to which the fees relate. Fees received prior to the occurrence of a scheduled event are deferred until the period in which the event occurs.

Contributions - The Clubs account for contributions in accordance FASB ASC 958-605, *Not-for-Profit Entities – Revenue Recognition*. In accordance with FASB ASC 958-605, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions. Restricted support, where restrictions are met in the same period as the contribution is made, is shown as unrestricted support.

Cash and cash equivalents - Cash consists of cash and, at times, cash equivalents consisting of highly liquid financial instruments purchased with original maturities of three months or less. Deposits at each financial institution are insured in limited amounts by the Federal Deposit Insurance Corporation (FDIC).

Bequests - Bequests are recognized as contribution revenue in the period the Clubs receive notification the court has found the will of the donor's estate to be valid and all conditions have been substantially met.

Promises to give - Unconditional promises to give (pledges) that are to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are initially recorded at the fair value of their estimated future cash flows as of the date of the promise to give through the use of a present value discount technique. In periods subsequent to initial recognition, unconditional promises to give are reported at the amount management expects to collect and are discounted over the collection period using the same discount rate as determined at the time of initial recognition. The discount rate determined at the initial recognition of the unconditional promise to give is based upon management's assessment of many factors, including when the receivable is expected to be collected, the creditworthiness of the other parties, the Club's past collection experience and its policies concerning the enforcement of promises to give, expectations about possible variations in the amount or timing, or both, of the cash flows, and other factors concerning the pledge's collectability. Amortization of the discounts is included in support from contributions. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

(1) Clubs operations and summary of significant accounting policies (continued)

Grants and contracts receivable - Grants and contracts receivable are stated at the amount management expects to collect under the terms of the agreements. Management provides for probable uncollectible amounts, if considered necessary, through a charge to earnings and a credit to a valuation allowance based on their assessment of the current status of the individual amounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to grants and contracts receivable.

Property and equipment and related depreciation - Purchased property and equipment is valued at cost, and donated property and equipment is recorded at fair value at the date of gift to the Clubs. Maintenance and repairs are charged to operations when incurred. Betterments and renewals in excess of \$1,000 are capitalized. When property and equipment are sold or otherwise disposed of, the asset account and related accumulated depreciation account are relieved, and any gain or loss is included in operations. Depreciation of property and equipment is computed on a straight-line basis over the following estimated useful lives:

| | |
|----------------------------|---------------|
| Land improvements | 17 years |
| Buildings and improvements | 3 to 30 years |
| Furniture and equipment | 3 to 5 years |

Impairment of long-lived assets - The Clubs account for long-lived assets in accordance with the provisions of FASB ASC 360, *Property, Plant, and Equipment*. FASB ASC 360 requires that long-lived assets be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less costs to sell. No impairment charges were recorded for 2015 or 2014.

Special events revenue - The Clubs conduct special events in which a portion of the gross proceeds paid by the participant represents payment for the direct cost of the benefits received by the participant at the event. Unless a verifiable, objective means exists to demonstrate otherwise, the fair value of meals and entertainment provided at special events is measured at the actual cost to the Clubs. The direct costs of the special events which ultimately benefit the donor rather than the Clubs are recorded as costs of direct donor benefits. All proceeds received in excess of the direct costs are recorded as gross profit on special events in the accompanying consolidated statement of activities.

Donated materials and services - Donated materials are reflected as contributions in the consolidated statement of activities at their estimated fair values at the date of receipt. Donated services are recognized as contributions in accordance with FASB ASC 958-605 if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased. No amounts have been reflected in the consolidated financial statements for certain donated volunteer services because they did not qualify for recording under the guidelines of FASB ASC 958-605; however, a substantial number of volunteers have donated significant amounts of their time in the Clubs' program services and fundraising campaigns. Management estimates that the unrecorded value of donated services was \$376,152 and \$363,591 for the years ended August 31, 2015 and 2014, respectively.

(1) Clubs operations and summary of significant accounting policies (continued)

The Clubs received the following donated materials and services:

| | <u>Used for</u> | <u>2015</u> | <u>2014</u> |
|------------------------|-----------------|-------------------|-------------------|
| Professional services | Various | \$ 75,515 | \$ 36,989 |

| Other | Various | 261,626 | 210,119 |
| | | <u>\$ 565,542</u> | <u>\$ 536,892</u> |

Functional expenses - Expenses are charged to program services, management and general, and fundraising categories based on direct expenditures incurred. Any expenditures not directly chargeable are allocated based on personnel activity or other appropriate indicators.

Income tax status - The Clubs qualify as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code ("IRC") and, accordingly, there is no provision for income taxes. In addition, the Clubs qualify for the charitable contribution deduction under Section 170 of the IRC and have been classified as an organization that is not a private foundation. Income determined to be unrelated business taxable income ("UBTI") would be taxable. BG Development, LLC and BGC Managers, LLC are treated as a disregarded entities for income tax purposes, and accordingly, all income and expenses are passed through to the Clubs.

The Clubs evaluate their uncertain tax positions, if any, on a continual basis through review of their policies and procedures, review of their regular tax filings, and discussions with outside experts. The Clubs believe that they have appropriate support for any tax positions taken, and as such, do not have any uncertain tax positions that are material to the consolidated financial statements.

The Club's federal Return of Organizations Exempt from Income Tax (Form 990) for fiscal 2012, 2013 and 2014 are subject to examination by the IRS, generally for the three years after they were filed. As of the date of this report, the 2015 Form 990 has not been filed.

Fair value measurements - FASB ASC 820, *Fair Value Measurements*, establishes a common definition for fair value to be applied to accounting principles generally accepted in the United States of America requiring use of fair value, establishes a framework for measuring fair value, and expands disclosures about such fair value measurements. FASB ASC 820 establishes a hierarchy for ranking the quality and reliability of the information used to determine fair values. FASB ASC 820 requires that assets and liabilities carried at fair value be classified and disclosed in one of the following three categories:

- Level 1: Unadjusted quoted market prices in active markets for identical assets or liabilities.
- Level 2: Unadjusted quoted prices in active markets for similar assets or liabilities, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.
- Level 3: Unobservable inputs for the asset or liability.

(1) Clubs operations and summary of significant accounting policies (continued)

Recent accounting pronouncement - In May 2014, the FASB issued ASU No. 2014-09 ("ASU 2014-09"), *Revenue from Contracts with Customers*. The core principle of ASU 2014-09 is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Additionally, ASU 2014-09 will require an entity to disclose sufficient information to enable users of financial statements to understand the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. For nonpublic entities, the ASU will be effective for annual reporting periods beginning after December 15, 2017 and interim periods within annual periods beginning after December 15, 2018. Nonpublic entities may elect to early adopt the ASU, however, adoption is not permitted prior to the public entity effective date.

In August 2015, the FASB issued FASB ASU No. 2015-14, *Revenue from Contracts with Customers* (Topic 606), which changed the effective date of the provisions of FASB ASU No. 2014-09. As a result, the new effective dates for public business entities, certain not-for-profit entities, and certain employee benefit plans to apply the guidance in FASB ASU No. 2014-09 is for annual reporting periods beginning after December 15, 2017. All other entities should apply the guidance in FASB ASU No. 2014-09 to annual reporting periods beginning after December 15, 2018. Earlier application is permitted only as of annual reporting periods beginning after December 15, 2016. Transition to the new guidance may be done using either a full or modified retrospective method. The Organization is currently evaluating the full effect that the adoption of this standard will have on the consolidated financial statements.

Subsequent events - The Clubs have evaluated events through December 18, 2015 which is the date the consolidated financial statements were available to be issued.

(2) Receivables

The Clubs' receivables consist of amounts due from United Way, Boys & Girls Clubs of Metropolitan Phoenix Foundation ("Foundation"), government agencies and other parties and, accordingly, credit risk is limited.

(2) Receivables (continued)

At August 31, 2015 and 2014, unconditional promises to give consist of a multi-year pledge from a single donor to be used for improvements and general operations of a new Branch located in the Balsz School District. This pledge receivable from a single donor represents approximately 65% and 72% of total net receivables as of August 31, 2015 and 2014, respectively. All receivable balances at August 31, 2015 and 2014 are considered fully collectible by management and, accordingly, an allowance for doubtful accounts has not been provided.

The estimated cash flows for unconditional promises to give and event receivables were discounted over the collection period using discount rates ranging from 1.6% to 5%.

(3) Investments

The Clubs account for their investments in accordance with FASB ASC 958-320, *Not-for-Profit Entities - Investments - Debt and Equity Securities* and FASB ASC 958-325, *Not-for-Profit Entities - Investments - Other*. Under FASB ASC 958-320, the Clubs are required to report investments in equity securities that have readily determinable fair values, and all investments in debt securities, at fair value. The fair values of these investments are based on quoted market prices. Certificates of deposit are held to maturity and carried at amortized cost (which approximates fair value). Under FASB ASC 958-325, investments in common stock that do not have readily determinable fair values are recorded at fair value at the dates the investments were purchased or donated and are periodically revalued through appropriate valuation methods.

Investments consist of the following at August 31:

| | <u>2015</u> | <u>2014</u> |
|---|---------------------|-------------------|
| Capital appreciation mutual funds: | | |
| Asset allocation funds | \$ 1,258,780 | \$ - |
| Capital preservation funds: | | |
| Fixed income bond mutual funds-short term | 581,751 | - |
| Money market funds | 1,982 | 664,101 |
| Other capital preservation funds | <u>5,001</u> | <u>5,001</u> |
| Total capital preservation funds | <u>588,734</u> | <u>669,102</u> |
| Total investments | <u>\$ 1,847,514</u> | <u>\$ 669,102</u> |

Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risk in the near term could materially affect account balances and the amounts in the accompanying consolidated financial statements. Expenses relating to investment revenues, including custodial fees and investment advisory fees, were \$2,188 and \$11,028 for the years ended August 31, 2015 and 2014, respectively, and are included in professional fees in the accompanying consolidated statement of functional expenses.

The Clubs investments are primarily invested for long-term goals and are reported as long-term assets.

Construction in progress consists of renovations and improvements to existing facilities that have not yet been placed into service.

During fiscal 2015, the Clubs incurred significant storm damage to the administration facility and the Tri-City/Thornwood branch. The Club incurred and recognized expenses totaling \$642,326 to repair the facilities. The expenses are included within occupancy expense. The Club filed loss claims with its insurance provider and recovered \$707,162 from the insurance related to these claims.

During fiscal 2015, the Clubs entered into an agreement with a third party to sell as easement for a cell tower lease. Under the terms of the agreement, dated December 31, 2014, proceeds received from the sale, and the related gain, totaled \$318,690 in fiscal 2015.

| Show Low property | <u>76,896</u> | <u>76,896</u> |
| | <u>\$ 240,872</u> | <u>\$ 240,872</u> |

As a result of the Clubs decision to build a new Glendale branch, the former branch location is no longer needed. The Show Low property was used as a retreat facility by the Clubs, but the facilities were destroyed in a fire several years ago. The Clubs decided not to rebuild the Show Low facilities. The Board of Directors has approved selling both properties. Property held for sale is carried at the lesser of the book value or fair value. No impairment charges were recorded for 2015 or 2014.

(6) Deferred financing costs

Certain costs incurred in connection with the loan agreement described in Note 8 amounting to \$825,347 had been deferred and were being amortized to operations using the straight-line method (which approximates the effective interest rate method) over 7 years, which was the estimated term of the loan based upon the anticipated execution of a call option. During 2014, the loan was repaid in full and the deferred financing costs were fully amortized. Amortization expense totaled \$0 and \$98,254 for the years ended August 31, 2015 and 2014, respectively, and is included in interest expense on the accompanying consolidated statements of functional expenses.

(7) Cash surrender value of life insurance

The Clubs are the beneficiary of a life insurance policy of a board member. The face amount of the policy is approximately \$500,000. The policy is recorded at its cash surrender value. Policy earnings and expenses are included in the accompanying consolidated statement of activities.

(8) Long-term debt

In June 2007, the Clubs, through BG Development, LLC, entered into a loan agreement that consisted of two notes, note A and note B, with JP Morgan Chase through New Markets Investment XXVI, LLC. Note A consisted of borrowings of \$7,173,888, with interest payable monthly at 6.95%. Note B consisted of borrowings of \$2,357,852 of principal and unpaid financing costs of \$501,670, with interest payable monthly at 0.50%. The notes contained certain compliance provisions that limited the use of the property during a compliance period that expired in June 2014. Upon the expiration of the compliance period, management elected to execute a call option agreement that accelerated the maturity dates of the notes to July 1, 2014. On June 30, 2014 the Clubs paid \$7,483,427, which consisted of the outstanding principal balance of note A of \$7,173,888, plus \$254,957 in termination fees, \$16,304 in asset management fees and \$38,278 of interest, with the principal balance of note B forgiven in full. The Organization recognized a gain on extinguishment of debt of \$2,604,565 in connection with this transaction, which consists of the Note B principal of \$2,357,852 and unpaid financing costs of \$501,670, less the \$254,957 of termination fees.

Long-term debt also consists of interest free notes payable to the City of Phoenix for various maintenance and improvement projects at branch locations. The principal balance of the notes is forgiven from the certificate of completion date (May 25, 2007, May 27, 2007, November 7, 2007, April 1, 2008, April 10, 2009, November 15, 2009, March 29, 2010, June 30, 2011, January 31, 2013, May 23, 2014, and May 24, 2014, May 28, 2015 respectively) over 10 years, at 20 percent per year over the last five years of the term of the notes, provided the properties are used exclusively for low and moderate income persons or eligible programs. If the Clubs fail to comply with the grant restrictions, the Clubs will be required to repay the full amount of the notes on demand. At August 31, 2015 and 2014, \$405,230 and \$463,101 were outstanding under these notes, respectively.

The Clubs entered into a \$1,500,000 line of credit on July 26, 2013 for the purpose of pre-paying long-term debt described above in fiscal 2014. The line is for a period of 5 years, carries a fixed 2.45% interest rate, and will be amortized over a 7 year term. The line is collateralized by securities of the Foundation. At August 31, 2015 and 2014, \$1,125,000 and \$1,339,286 was outstanding under this line of credit, respectively.

(15) Interest in Foundation net assets

The Clubs and the Foundation, a separate 501(c)(3) organization, are financially interrelated organizations as defined by FASB ASC 958-605, *Not-for-Profit Entities – Revenue Recognition*. The Foundation has a separate Board of Trustees of which the Clubs do not have a controlling interest. The Foundation collects and manages funds exclusively for the benefit of the Clubs. As such, the Clubs are the beneficiary of and have an explicit ongoing economic interest in the net assets of the Foundation. The economic interest recorded in the accompanying consolidated statement of financial position represents the Clubs' beneficial interest in the net assets of the Foundation. The Clubs' beneficial interest in the net assets of the Foundation totaled \$6,851,630 and \$7,190,165 as of August 31, 2015 and 2014, respectively.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of

BOYS & GIRLS CLUBS OF METROPOLITAN PHOENIX, INC. AND SUBSIDIARIES

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of **Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries**, which comprise the consolidated statement of financial position as of August 31, 2015, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 18, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered **Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'** internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of **Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'** internal control. Accordingly, we do not express an opinion on the effectiveness of **Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'** internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

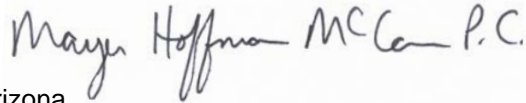

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether **Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'** consolidated financial statements are free from material misstatement, we performed tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

To the Board of Directors of

BOYS & GIRLS CLUBS OF METROPOLITAN PHOENIX, INC. AND SUBSIDIARIES

Report on Compliance for Each Major Federal Program

We have audited ***Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'*** compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on ***Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'*** major federal program for the year ended August 31, 2015. ***Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'*** major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal program.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for ***Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'*** major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audits to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about ***Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'*** compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of ***Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'*** compliance.

Opinion on the Major Federal Programs

In our opinion, **Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'**, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended August 31, 2015.

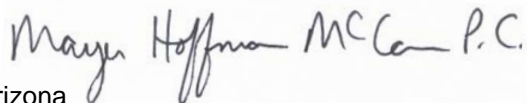

Report on Internal Control Over Compliance

Management of **Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'** is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered **Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'** internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the **Boys & Girls Clubs of Metropolitan Phoenix, Inc. and Subsidiaries'** internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
